FOR 2009-11 BUDGET -- NOT READY FOR INTRODUCTION

1 AN ACT *do not gen.*; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

CHILDREN

Under current law, any person who receives four or fewer children or, under certain circumstances, more than four children to provide care and maintenance for those children must obtain a license to operate a foster home and any person who receives four or fewer children to provide care and maintenance and structured, professional treatment for those children must obtain a license to operate a treatment foster home. A foster parent is reimbursed for basic maintenance according to age-related rates specified in the statutes and may receive supplemental payments for special needs, exceptional circumstances, and initial clothing allowances according to rates promulgated by DCF by rule. In addition, a treatment foster parent receives supplemental payments for providing treatment foster care. A relative who provides care and maintenance for a child is not required to obtain a foster home or treatment foster home license, but may, if he or she meets certain conditions, receive kinship care payments of \$215 per month or, if he or she has been appointed guardian of the child, long-term kinship care payments in that amount.

This bill eliminates kinship care and long-term kinship care payments and treatment foster homes as a separate licensing category effective on January 1, 2010. Instead, the bill requires DCF to promulgate rules regulating foster care as follows:

1. Rules providing levels of care that a foster home is licensed to provide. Those levels of care must be based on the level of knowledge, skill, training, experience, and other qualifications that are required of the licensee, the level of responsibilities that are expected of the licensee, the needs of the children who are placed with the licensee, and any other requirements relating to the ability of the licensee to provide for those needs that DCF may promulgate by rule.

2. Rules establishing a standardized assessment tool to assess the needs of a child placed outside the home, to determine the level of care that is required to meet those needs, and to place the child in a placement that meets those needs. A foster home that is licensed to provide a given level of care may provide foster care for any child whose needs are assessed to be at or below the level of care that the foster home is licensed to provide.

3. Rules providing monthly rates of reimbursement for foster care that are commensurate with the level of care that the foster home is licensed to provide and the needs of the child who is placed in the foster home. Those rates are in addition to the basic maintenance rates for foster care and must include rates for supplemental payments for special needs, exceptional circumstances, and initial clothing allowances for children placed in a foster home.

4. Rules providing a monthly retainer fee for a foster home that agrees to maintain openings for emergency placements.

A person who is licensed to operate a treatment foster home on December 31, 2009, is considered to be licensed to operate a foster home beginning on January 1, 2010, and must be reimbursed for foster care at the appropriate rate determined under the rules promulgated by DCF under the bill. A person who is receiving kinship or long-term kinship care payments, on December 31, 2009, is considered to be licensed to operate a foster home beginning on January 1, 2010, and must be reimbursed for foster care at that appropriate rate if the person passes the criminal history and child abuse background investigation required of foster parents.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
